Mr. Talton,

Thank you so much for attaching the extension letter to your message. It's odd that the letter was returned, since you have the correct address. I am not sure why it was not delivered to me.

I am fine accepting the emailed copy of the letter, but if you need the Return Receipt for your records, please re-send the letter.

Again, I appreciate your help,

Betsy

Mr. Talton,

Thank you. I look forward to receiving any information you are able to share, in particular an actual street address for the Site.

Thanks again,

Betsy

Good morning Ms. Hale,

I apologize for not responding to you sooner. The 30 day extension request for Great Southern Lumber Company c/o Fort James Corporation has been approved. The response for Great Southern Lumber Company is now due on Monday, March 28, 2016. The EPA will send you a formal letter acknowledging the extension within the next few days. I will forward you any releasable information on file for Great Southern Lumber Company in connection with the Colonial Creosote Superfund Site in a separate email. Thanks

Importance: High

Ms. Travis and Mr. Talton,

Hello. I am following up again on my correspondence (below) regarding the Colonial Creosote Site and would appreciate your acknowledgement of my request for, and hopefully a granting of, an extension of time to respond.

Kindly let me know, as our response will not be ready for a February 25, 2016 due date as I have explained in this exchange.

Also, please forward any additional information you have regarding the actual street address for the Site, as well as, any records and/or information that you have linking Great Southern Lumber Co. and/or Fort James Corp. to the Site.

Thank you,

Betsy Hale

Subject: Colonial Creosote Superfund Site- Bogalusa, LA (CERCLIS# LAN000607134)

Mr. Talton,

Hello and thank you for taking time to talk with me this afternoon about the EPA Information Request (Info. Request) [addressed to Great Southern Lumber Co. c/o Fort James Corp.] we received regarding the Colonial Creosote Superfund Site located in Bogalusa, LA (Site). As I mentioned and as you requested, I am sending this email to request a thirty (30) day extension to prepare a response to the Info. Request to allow me an opportunity to research the Site and try to locate any information we might have that is responsive. I received the Info. Request on January 27, 2016, meaning our response would be due on or before February 25, 2016, with your permission, we will submit a response to the Info. Request on or before March 27, 2016.

Also as I mentioned, I have a few questions regarding the Site and information you have related to it. Those questions are as follows:

- 1) Can you please provide an actual street address for the Site? The only information I find is a reference to Hickory Avenue, Bogalusa, LA. If you have conducted a title search, I would appreciate you sharing those records with me.
- 2) Will you please provide to me any records and/or information that you have linking Great Southern Lumber Co. and/or Fort James Corp. to the Site?
- 3) Enclosure 4 to the Info. Request indicates that in addition to Fort James Corp., the Info. Request was also sent to Bogalusa Concrete, Inc. Have you sent the Info. Request to any other Parties?

Your assistance is most appreciated, and I look forward to hearing from you,
Betsy
